The Market Mall

The Market VIP Program is an exciting new concept that will make a group visit to The Market extra special. Your group of 8 or more will be our guests at a FREE, FUN program that includes a bit of the history of this historical building and the surrounding area as well as, an overview of the unique merchandise, artisan items, and services available here. Craft ideas are offered to inspire your creativity and we even play light-hearted games with prizes from the Market merchants. This 30 minute 'party' enhances The Market shopping/dining experience and is ideal for a Girl's Day Out" with family, friends, co-workers and clubs. Other programs are also offered for a nominal charge and include: Aromatherapy journeys, Jewelry making, Floral design and more.
